## Release Form

By signing this, I agree that I have answered all questions to the best of my knowledge and that I will inform the therapist of any changes in my condition or medication. If I experience any pain/discomfort or would like the pressure adjusted, I will inform the therapist immediately.

I understand that a massage therapist cannot diagnosis any illness, disease, or any physical or mental disorders nor can the therapist prescribe any medication and that nothing said in a session should be construed as such. I understand that massage therapy is intended to work in conjunction with my health care, not act as a substitute for medical examination. I understand that it is my responsibility to consult a physician for any ailments I may have.

I understand that massage therapy is a therapeutic measure used to reduce stress, muscular tension, and pain. I understand there are no guarantees for recovery and if I am unsatisfied with the progress made with my treatment I will inform the therapist, so he/she may direct me to another treatment. I also understand that massage therapy is non-sexual in nature and any advancement made will terminate the massage.

I agree that I am of legal age (18 years old) and that if I am not, I agree to have my parent or guardian sign a parental/guardian release form before treatment.

**I understand that certain conditions or medications may contraindicate (not permit) massage or may require the use of alternate techniques or pressure. I respect the decision of the massage therapist and am fully prepared to reschedule the massage for a later date if requested by the massage therapist. I also understand that massage may be advisable by my physician, but not by a massage therapist. In that event, I agree to provide a written agreement from my physician before proceeding with treatment.**
